REALISTIC

A black and white photograph of a busy city street. In the foreground, several people are walking away from the camera. On the right side, there's a large, ornate building with many columns. A sign on the sidewalk reads "EXPO". The scene is somewhat blurred, giving it a sense of motion.

**ALGORITHMS
ARE GREAT.
BUT THERE'S A PROBLEM...**

***LESS
THIS.***

A wide-angle photograph of a mountainous landscape at sunrise or sunset. The sky is filled with warm, orange and yellow hues, with rays of light streaming through the clouds. In the foreground, there are large, dark, textured rocks. Beyond them, a valley opens up with a river or stream flowing through it, surrounded by lush green forests. The mountains in the background are silhouetted against the bright sky.

LEARNINGS?

YOU CAN OVER-CLEAN.

A wide-angle photograph of a mountainous landscape at sunrise or sunset. The sky is filled with warm, orange and yellow hues, with rays of light streaming through the clouds. In the foreground, there are large, dark, craggy rocks. Beyond them, a valley opens up with a river or stream flowing through it, surrounded by lush green forests. The mountains in the background are silhouetted against the bright sky.

MODELS AREN'T JUST
FOR PREDICTIONS.

A wide-angle photograph of a mountain range at sunset. The sky is filled with dramatic, billowing clouds colored in shades of orange, yellow, and red. The mountains in the foreground are dark and silhouetted against the bright sky.

THE
COSINE SIMILARITY
IS INCREDIBLY
POWERFUL.

A photograph of a sunset or sunrise over a dense forest of evergreen trees. The sky is filled with warm, golden-orange hues, with darker shades of orange and yellow near the horizon. Sunbeams or rays of light filter through the trees on the left side of the frame. The overall atmosphere is peaceful and inspiring.

**SOME THINGS YOU DO WILL JUST
BE A WASTE OF TIME.**

DATA IS THE
KEY INGREDIENT.

(... & *ALWAYS EDA*)

NEXT?

END.
